# What is YIP?

- Flagship programme of K-DISC to organise innovation in educational institutions.

- Nurturing Young Talents interested in pursuing avant-garde research, academics and business model building

- Prominence given to social innovation along with business development

- Capacity building of Mentees around design thinking

- Mentoring using New Product Development Framework

- ICT based support system for identifying promising ideas and processing the innovation with appropriate linkages with academia, industry, investors and civil society for promoting innovations with sound business models and innovations with social relevance.

Aims & Objectives of YIP

To develop an ecosystem for identifying youth with bright minds for solving real life problems, mentoring them, attaching them to research institutions/ partner institutions with scholarships and help them build a career around research, incubate and accelerate their innovations.

YIP Young Innovators Programme

Dear jinsha,

Ideator Id : 21YIP020417

Congratulations for completing the Pre-registration of YIP 2021.

The major activities that need to be completed as an Ideator are:

Please use the login credentials to access the YIP portal and you are requested to complete the registration now. This step involves filling your institution details, Year/Sem/Class & uploading the ID Card & Photo. You can upload your institution ID preferably. However you can upload any government ID reflecting your name, age & gender if by any chance if you don't have an institutional Id. An option is provided to update the bank details as well. This is NOT MANDTORY now. You will be required to fill the same if your idea qualifies for the next stage. Click on save draft and submit once you fill in all the required details. You can then access the Learning management system from the menu to go to the Voice of Customer training after completing the full registrations.

Link to login Page :   : https://yip.kerala.gov.in/yipapp/index.php/init/
User Name   :
Password   :

Please contact your District Program Executive in case you have any queries. You can find their contact details here. https://yip.kerala.gov.in/yipapp/index.php/Idea2021/pgm_exec

PS: Please do not reply to this message. Replies to this message are routed to an unmonitored mailbox.

Ideator Group Formation

PROBLEM SHELF

- It is a list of pre –identified problems identified in a theme by a group of experts for which the teams can work and find a solution.

- Each problem in the problem shelf is detailed with a clear outline of the customer, existing solutions and its challenges.

- Ideators will be having the option to choose projects from the problem shelf & can post solution as ideas during idea registration stage

- As an innovator, the problem shelf gives you an opportunity to address real world problems and give solutions which can make a difference.

PROBLEM SHELF

Shelf of problems available in 5 domains

- Energy-Mobility & Renewables
- Agriculture
- Ayurveda
- Geriatrics
- Traditional Industries - Coir
