

Annual Report of Activities of Inter -disciplinary Initiative for Teachers  
2022-23

This year's *Inter - disciplinary Initiative for Teachers* was inaugurated by our respected principal **Dr. Anuradha** on 04/01/2023 at M.G.Hall . Inauguration was followed by a class by **Sri. Sureshkumar, H.O.D Department of Botany**. He took a wonderful class on the importance of Millets in our daily life. The title of the talk was “ ***Cheruthalla Cherudhanyangal***”. The talk has more significance on the context of International year of Millets -2023 as declared by U.N

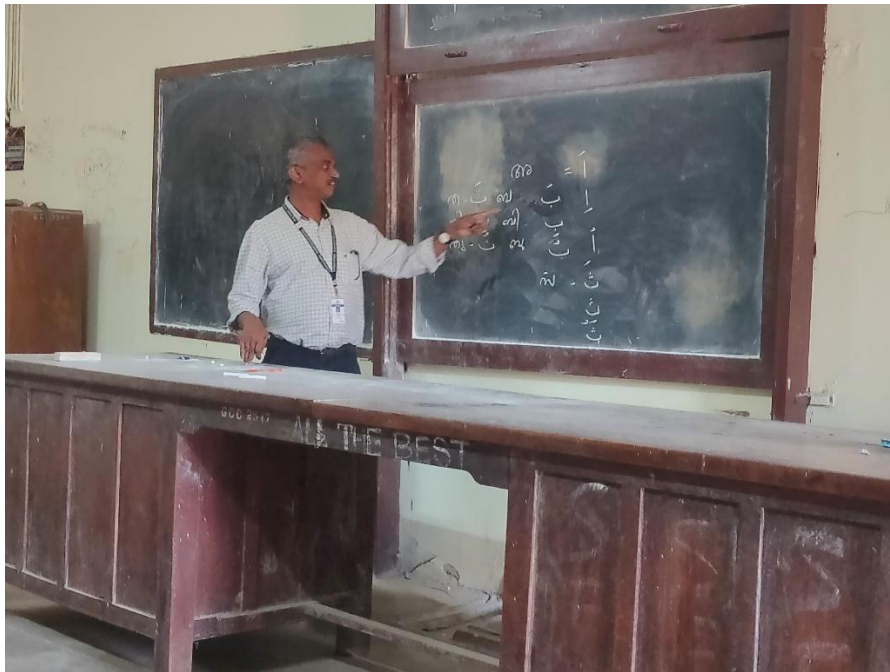

The 2<sup>nd</sup> class was held on 19/01/2023. **Sri. Nagaraj.S , Assistant Professor in Economics** took a wonderful class on Investment under the title “ ***Saving and Investement : A Twin to Successful Life***”. The class gave all the participants the importance of savings and other investement opportunities

The next programme was an **International Conference** in Collaboration with Department of Geography. The event was held on 15/02/2023 at M.G.Hall . The topic of the conference was “**Invest in our Planet**”. The chief guest was my student **Dr. K.Nalini , Scientist, Atmosphere and Climate Department ,Norwegian Institute for Air Research, Kjeller, Norway**. Dr. Nalini delivered a wonderful talk on Green house gases and its influence on climate.

The last class was taken by **Dr. Mohammed, Associate Professor in Arabic** on 02/03/2023 . The topic was “ **Contribution of Arabic Language to Malayalam Language**”. In his class sir taught us arabic language in simple terms with interesting examples
