**ASAP CELL**

Additional Skill Acquisition Programme (ASAP) Kerala, an initiative of Kerala Development and Innovation Strategic Council (K-DISC) is an undertaking of the Higher Education Department, Government of Kerala, that focuses on skilling students and the general community to enhance their employability. ASAP Kerala has nearly become synonymous with skilling, upskilling and reskilling in corporate and academic domains, by offering 150+ contemporary courses in 19 advanced sectors and curating a ready-to-deploy workforce.

**Programmes organized by ASAP of Government College Chittur during  
the academic year 2022-2023**

**1. Training session for final year students to register on DWMS platform.**

The 'Digital Workforce Management System' (DWMS), which was developed by K-DISC, is a one-of-a-kind talent marketplace of employers, skill providers, job seekers, financial institutions, and other facilitating organizations. The job aspirants can finetune their career preferences and enrich their profiles to enhance their chances of getting a dream career by taking an AI-based Career Inclination Survey and Robotic Interview. We conducted DWMS registration programme for students to register on the platform on 2023 January 24.

**2. Work Readiness Programme (15-hour workshop) for final year students**

The **Work Readiness Programme** is a 15-hour module designed to provide direction to candidates to improve their interview skills and articulate their thoughts confidently in front of an interview panel. The module is inclusive of interview etiquette, resume preparation, presentation skills, group discussions, job-related Q&A, soft skills, etc. We conducted the programme on 2023 February 24, 25 and 16 for the final year UG and PG students. Total of 26 students have participated in the workshop.
