		<p>We had a great start, after having meals we gathered in the classrooms. A small discussion have been done on the future plan of students. Some students shown interest in jobs related other than to chemistry, <sup>after graduation</sup> whereas most of them <sup>would</sup> like to opt Msc chemistry as their higher education option.</p> <p>During the 1<sup>st</sup> year of graduation they actively conducted general quiz competition. This year, since most of the students have to concentrate more on chemistry, we decided to solve objective questions in chemistry as well as conduct quiz competition on general affairs.</p> <p>The students were found very active &amp; co-operative. I wish them a great year with me.</p> <p style="text-align: right;">Dr. Sarada Karavada                        19/06/19</p>
