SCHOLAR SUPPORT PROGRAMME 2018-19

REPORT OF ACTIVITIES

Name of the College: GOVERNMENT COLLEGE CHITTUR, PALAKKAD

Name of the Co-ordinator: Dr. NISHAMOL M. S., Assistant Professor of Electronics

One of the prestigious programmes run by Department of Higher Education, Govt. of Kerala is Scholar Support programme for UG students of 215 colleges from Govt. and Aided colleges across Kerala with the concept of Guru as friend from 2012 onwards. This programme aims to overcome the academic weakness of students who belong to the bottom of the merit hierarchy at the time of admissions. This compensatory programme aims at imparting additional support to needy students through tutorials, study materials, additional lectures and interactive sessions.

As per guidelines, 50 scholars each for the second year and third year classes were selected by giving preference to those who are already there in the programme and intent to continue. New students were allowed to enroll instead of those who are not ready to be regular in the class. We have identified 5 subjects and a maximum of 40 students as beneficiaries of first year under SSP at the college level on the basis of the requirements of the students for additional classes. Readiness of the students to attend class was given preference besides backwardness in studies while selecting students for SSP. In this academic year, as per the decision of college council, we selected the following courses for the internal mentoring of SSP since the difficult subjects as suggested by the students and staffs of various departments.

All the 35 sessions (7 each for 5 subjects) of fifth semester classes and 50 sessions (10 each for 5 subjects) of third semester classes were completed by the Last week of November

2018. Also 30 sessions (6 each for 5 subjects) of first semester classes were completed by the second week of December 2018. Completion of sessions evaluated in the monitoring committee meeting. All the 35 sessions (7 each for 5 subjects) of sixth semester classes were completed by the Last week of February 2019. Also 50 sessions of 4th semester and 30 sessions of 2nd semester classes are completed on 10th March, 2019.

Mr. Kannanunni was selected, from the list provided from new initiatives, as the resource person for life skill classes of first year and the classes started on 31st October 2018 and 48 sessions were completed by 26th February 2019. IT skill classes were leaded by Mrs. Sangeetha Vasudevan and all the 20 sessions were completed by last week of February 2019.

SSP Monitoring Committee

A monitoring committee was constituted by the college council to monitor and evaluate the progress of the programme and timely solving of the problem if any. Dr. Shine Lal E., Assistant Professor and HoD of Mathematics, Dr. Jayarajan K, Asst. Professor and HoD of Geography, Mr. Vinod G, Assistant Professor of Commerce, Mr. Sureshkumar K A. Assistant Professor and HoD of Botany and Dr. Nishamol M. S., Assistant Professor of Electronics and Coordinator of SSP are the members. **The committee held three meeting during this academic year hitherto.** The committee evaluated the progress and completion of the programme in the college.

Distribution of Study Materials

An amount of Rs. 6000/- (Rupees six thousand only) was spent for the distribution of study materials for first year (Rs. 2000/-), second year (Rs. 2000/-) and third year (Rs. 2000/-) students during this academic year. This amount was spent for the distribution of two hundred pages notebooks (Rs. 22/-) and pens (Rs.5/-). It was very helpful to them to prepare their lecture notes.

Fund Utilisation

Total allotment for the programme for this year is Rs. 1,90,500/-. **Total expenditure for the programme is also Rs. 192500/-.** Out of this, Rs. 1,15,000/- spent as remuneration to the members of faculty, Rs. 3000/- for learning management classes, Rs. 24000/- for life skill classes, Rs. 10000/- for IT classes, Rs 1000/- for assignment writing, Rs. 6000/- for competitive examination orientation and theme based interaction with second year scholars, Rs 6000/- for study materials, Rs 6000/-for providing light refreshment to students present in various classes,

Rs 4500/- for office expenses including TA in connection with orientation of coordinator and stationary purchase and Rs. 15,000/- to the coordinator as remuneration. The rate of fund utilization is 100%. The detailed statement of fund utilization is attached separately.

Attendance of Students

Attendance of the students in the programme is better. Attendance of all courses is high except a few courses like Statistical method (I Sem. B. Sc. Geography), Ragaalapana, Niraval and Kalpanaswara I (V sem. B A Music) and General Methodology in Science, Biostatistics And Informatics (V sem B Sc Zoology).

Achievements of the Programme

The programme gave opportunity to the weaker students to improve their study. High percent of attendance in classes indicates the need of students for remedial classes. The life skill classes, IT skills and learning skill classes were very helpful to improve their study. Timely allotment of fund helped for the early starting of the classes. There were full hearted co-operation from the faculty members as well as students for the timely completion of the programme.

Limitations of the Programme

During the busy schedule of the CUCBCSS, it was very difficult to conduct the 48 sessions of life skill classes. It compelled to reschedule the classes on the basis of the convenience of the students and mentors. Strength of the students on holidays was less because of the difficulty of the students to attend the programme without enjoying concession tickets. Many students suggested conducting the classes during 9.00-10.00 am on working days. However, this time schedule was not appropriate to other students they are far away from the college. Delay in university examinations especially those of first semester created another difficulty on the smooth conduct of the programme.

Suggestions to Improve the Programme

1. Delay in releasing fund caused for shortage of time to work efficiently during the tight semester schedules.
2. Travel allowance for students to attend classes during holidays.
3. Discrepancy in remuneration for external mentors of SSP and WWS.
4. There shall be flexibility in the number of students and the number of courses subject to the limitation of maximum number of hours and allotment.

5. Transport allowance to students is not delivered because of the failure of producing tickets. Therefore, certain relaxation of rule is necessary. Statement and declaration from the student is sufficient to disburse the TA to students.

Entry into Service Cell:-

Entry into Service Cell offers training to students who belongs to SC/ST/OBC and other Minority communities to gain capabilities to get employment in various state and central government services and in private sector jobs. The basic objective of this cell is to prepare students for competitive examinations conducted by UPSC, KPSC, Banking recruitment board, private sector etc.

Co-ordinator : Dr. Nishad K. M.

Activities during 2022-23 Academic Year

- 1. NET Orientation Class**
- 2. Online Coaching Classes for Competitive Examinations**
- 3. Science Career Opportunity Orientation Class**

Detailed description of the activities are given below

1. NET Orientation Class

A NET Orientation class was conducted on 02-09-2023 for Post Graduate students of Tamil, Economics, Music, Geography and Philosophy. The class was held in Mahathma Gandhi Auditorium from 10:00 am to 3:00 pm.

Objectives:

The primary objective of the class was to provide a comprehensive understanding of the exam syllabus and to help students prepare effectively for the exam.

Programme Overview:

Orientation programme was co-ordinated by Dr. Nishad K. M; Co-ordinator of Entry into Service Cell, in association with IQAC. The session was inaugurated by Principal Dr. Anuradha V. K. The instructor Dr. Ummer V.M; Assistant Professor in Arabic, SNGS College Pattambi provided the students with an overview of the NET exam pattern, eligibility criteria, marking scheme, and time duration. The instructor then went on to discuss the exam syllabus and

provided students with essential tips and tricks to crack the exam. The session also included a discussion of the topics and subjects that students should focus on while preparing for the exam.

The session ended with a final Q&A round where students could clarify their doubts related to the exam. Model test was conducted and the papers were evaluated.

Outcome of the Programme:-

The NET coaching class was a comprehensive and informative session for students preparing for the exam. The class provided students with a clear understanding of the exam syllabus and the essential topics and areas to focus on during their exam preparation. Overall, the session was well-received by the students and was a success.

 Assistant Professor
 Dept. of Chemistry
 Govt. College Chittur
 Palakkad - 678104

Programme Overview:-

The coaching started on 20-11-2022. 24 Classes were conducted during weekends through online mode. The classes were handled by resource persons including former DGP Sri. A. Hemachandran IPS, Sri. Athul Surendran, (2019, CAPF All India Rank 204) etc.

Mock test was conducted to help individuals prepare for a competitive exams like Kerala PSC. Through Mock tests students were able to simulate the format, content, and difficulty level of the actual exam, allowing individuals to assess their knowledge and skills and identify areas where they may need further study or practice. More than 20 students attended the model test paper. Prizes were distributed for students who secured first, second and third places.

Outcome of the Programme:-

The course prepares the students to meet the challenges of the modern competitive society. It makes them more confident to face competitive exams and interviews, group discussions etc. Mock test helps students to review the areas that need improvement and time management.

ASAP CELL

Additional Skill Acquisition Programme (ASAP) Kerala, an initiative of Kerala Development and Innovation Strategic Council (K-DISC) is an undertaking of the Higher Education Department, Government of Kerala, that focuses on skilling students and the general community to enhance their employability. Instituted in 2012, ASAP Kerala transitioned to a company under the Companies Act, 2013, in 2021.

With nearly a decade of service, ASAP Kerala have become a premier government edTech company, building integrated learning and talent management solutions. ASAP Kerala has nearly become synonymous with skilling, upskilling and reskilling in corporate and academic domains, by offering 150+ contemporary courses in 19 advanced sectors and curating a ready-to-deploy workforce. We undertake training through 16 Community Skill Parks and 126 Skill Development Centers instituted across Kerala.

Over the next four years, the Kerala Knowledge Economy Mission aims to provide gainful employment to 20 lakh people in various sectors and job fields. The Knowledge Economy Mission aims to use digital technologies as an enabler to create new knowledge that can be used to solve contemporary and future social problems, foster sustainable development, and foster intellectual growth.

I had attended one day training programme for placement officers by Kerala Knowledge Economy Mission related to connect career to Campus campaign on 11th January 2023.

**Programmes organized by ASAP of Government College Chittur during
the academic year 2022-2023**

1. Training session for final year students to register on DWMS platform.

The 'Digital Workforce Management System' (DWMS), which was developed by K-DISC, is a one-of-a-kind talent marketplace of employers, skill providers, job seekers, financial institutions, and other facilitating organizations. Digital Workforce Management is a platform that connects all stakeholders in creating a knowledge-based ecosystem. The job aspirants can finetune their career preferences and enrich their profiles to enhance their chances of getting a dream career by taking an AI-based Career Inclination Survey and Robotic Interview. We conducted DWMS registration programme for students to register on the platform on 2023 January 24.

2. Work Readiness Programme (15-hour workshop) for final year students

The **Work Readiness Programme** is a 15-hour module designed to provide direction to candidates to improve their interview skills and articulate their thoughts confidently in front of an interview panel. The module is inclusive of interview etiquette, resume preparation, presentation skills, group discussions, job-related Q&A, soft skills, etc.
