Dear Geethu Krishna:

Congratulations on receiving a CMA® (Certified Management Accountant) Scholarship! Your scholarship is now active, and we invite you to begin planning on how best to get started on this exciting professional journey.

Within the next two weeks, you'll receive an email with your Gleim course provider materials that will help you prepare for the exam. You'll have one year to review them. You'll have three years from now to register for, take, and pass both parts of the CMA exam.

Registering to take the exam is an important step, and we encourage you to select a time that's most convenient for your schedule and gives you enough time to prepare. Having a date to aim for can help you focus your time and achieve better results.

Exam Registration

Once you decide when to take the exam, please register through our [online store](#) before you can schedule your exam at a Prometric Test Center. Registration is fast and easy. Just [log into your IMA account, visit the exam registration page, and choose your preferred exam window](#) from the available options. Then use code **CMAEXAMSCH** at checkout to zero out the fees.

After you've completed the checkout process, you will receive a code to schedule your exam date with Prometric.

We're here to support you

If you have any questions, don't hesitate to contact us at cmascholarship@imanet.org. For helpful planning and studying resources, check out these [CMA resources](#).

Again, congratulations and good luck as you pursue your studies and your CMA certification.

Sincerely,

Dennis Whitney, CMA
